

RESURRECTION CHURCH

1057 Main Street
Hingham, MA 02043
781-749-3577 ext. 14
Religious Education Department

April 26, 2017

Dear Parents,

It is once again time to register for Religious Education for next year. If you would please fill out the attached Registration Form and return it to me as soon as possible, it will enable us to spend the next couple of months preparing things for next year's program and it will save you money as we offer a substantial discount for registrations submitted by June 1st.

Please pay special attention to providing us with the correct email address as I use this for most communications throughout the year.

As you will notice on the Registration form, our fee schedule works out best for those who register early or volunteer to teach or facilitate.

To have a successful Religious Education program, we need many volunteers. Please look over the list of needs on the second page of the Registration Form and see if God is calling on you to help out with any of them. If you think He is, please check off any that you would be willing to help out with.

As you can see, we will once again offer free Registration to all who volunteer to teach. To be fair to everyone, this will only apply to teachers who teach a class at NDA.

Please note that to qualify for free or reduced tuition the Registration form needs to be in by the early bird date of June 1st. This is to help enable us to set up classes and get necessary paper work done in June as I work a very limited schedule during the summer months.

The schedule for next year is as follows:

Grades 1 – 5 @ Notre Dame Academy, Wednesday from 4 - 5

May Christ's light fill you and your family's days!

Peace!

Janet Hickey
Religious Ed Director

PS. Please do not delay returning this form because of finances. If there is a problem, call me and we can confidentially work it out.
